193.7	Upson Community Park Campground	Hand Pump	oh	2 per site	Take Upson Lake side trail .6 miles down Upson Lake Road. Travel south on the road for over two miles then take a left on Park Road. Then the Campground is only 1/4 Mile down the road. Has a nice pavilion and picnic shelter. Some sites have electricity.
203.3	Potato River Falls County Park	River	oh	2 per site	5 fairly rustic campsites in a loop. No water pump and it is a fairly strenuous walk to get down to the river. So, if you are going down to the river to look at the waterfalls, get water. Picnic tables and fire rings. Free Campsites because they are rustic. Iron County Forestry Dept. 46.46024 -90.52880

206.0	Frontier Campground	faucet	ft	2 per site	Campground right on Hwy 2 in Cedar, Wisconsin. Pretty much oriented for RVs, but there are some wooded sites for tents. Has showers and a laundry room. Bar with some camping and food items. Fee Campsites. Private Campground 46.51157 -90.50738
212.1	Saxon Harbor County Park	faucet	ft	2 per site	County Park and Marina with newly constructed Campground. 5 walk in sites that are closer to Lake Superior. Park has a nice stretch of Lake Superior shoreline. Showers, Fee Campsites. Iron County Forestry Dept. 46.56102 -90.43960
Wisconsin - Michigan Border 213.9					
+6.0	Little Girls Point County Park	faucet	ft	2 per site	Campsites on Lake Superior or by an old farmhouse that they use as the Park Office. Nice Swimming beach with changing rooms. Park shelter for picnics, etc. Fee Campsites. Gogebic County Parks 46.604411 -90.321298

A note from Todd McMahon: I intend to update this sheet every year, so if changes need to be made, email me at isawtman@gmail.com If you need a shuttle on any part of the trail, contact the local chapter to get a volunteer to shuttle you. Please contact them ahead of time and pay them for the shuttle. If the volunteer won't take the money, just say it's a donation to their Chapter. If they still won't take the money, you can send a check to the North Country Trail Association and say it's for the _____ Chapter because _____ shuttled you. If you really like a section of trail, you can ask the local chapter whether you can adopt and maintain that section of trail. This involves walking the trail a couple times a year with a loppers and a bow saw and taking out any obstructions on the trail. The local chapter maintenance coordinator can train you the proper techniques, etc. If there is a downed tree that's too big for your bow saw, notify your Chapter Coordinator and they will send in someone with a chainsaw to take it out. Enjoy Hiking the North Country Trail, Todd
